

Defining Your Life Missions

Your Life Mission Statements

Before you draft a vision statement, it's helpful to draft several life missions. In the spaces below, write the most important missions you have in your life. These are grand goals and objectives. Think of painting in broad brushstrokes.

My spiritual mission is to:

My family mission is to:

My professional mission is to:

My health and wellness mission is to:

My social mission is to:

My service mission is to:

My _____ mission is to:

My _____ mission is to:

My _____ mission is to:
